Not sure if I am absolutely necessary on the call, but I am booked this a.m. but can talk around 5 EST today. Tomorrow afternoon looks much better for me.

Hello – I'm sending a note on behalf of Michael – are any/all of you available for a call today? Does sometime this AM work? I have another call from 1-3pm but can do before or after if the afternoon looks better for everyone. Let me know and I'll get a conference line set up.
 Thanks everyone!
